

AUTODOMINO

KUVA + SANA

Volkswagen

Kuva + sana -domino on tavallista dominoa vaativampi. Pelaaminen vaatii keskittymistä ja lähimuistia. Pöydälle voi tulostaa autojen kuvat ja sanat muistin tueksi. Matkakortilla domino vaihtaa suuntaa.

Valmistelu

Tulosta kortit tavallista paksummalle paperille. Se estää kuvan näkymisen paperin läpi. Leikkaa kuvat korteiksi viivoja pitkin.

Tulosteiden laminointi lisää dominon käyttöikä ja tekee puhdistamisen mahdolliseksi.

Pelin ohje

Käykää yhdessä läpi, mitkä sanat vastaavat kuvia.

Kortit sekoitetaan ja jokaiselle pelaajalle jaetaan 4–5 korttia. Loput kortit laitetaan pinkkaan pöydälle. Korteja ei näytetä toisille.

Ensimmäiseksi paikalle tullut pelaaja saa aloittaa ja asettaa valitsemansa kortin pöydälle. Seuraava pelaaja jatkaa dominoa, jos hänellä on aloituskorttiin sopiva kortti. Kuvan voi yhdistää sanaan tai sanan kuvaan. Peliä voi jatkaa kumpaan suuntaan tahansa.

Jos sopivaa korttia ei ole kädessä, pelaaja nostaa jakamatta jääneestä pinosta uuden kortin. Jos uusi kortti sopii, pelaaja laittaa sen pöytään ja vuoro vaihtuu. Jos uusi kortti ei sovi, kortti jää aloittajan käteen ja vuoro vaihtuu.

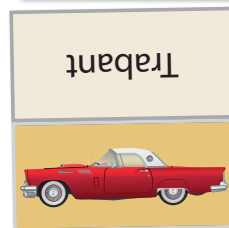

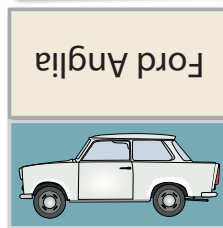

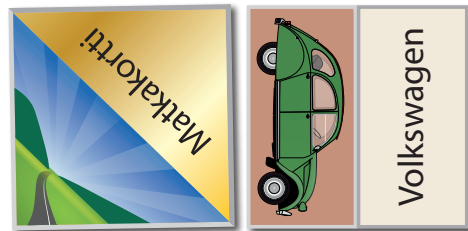

Matkakortti käy minkä tahansa kortin kanssa, ja kortin pelaaja saa laittaa vuorollaan toisen, vapaasti valitsemansa kortin. Matkakortilla dominon suuntaa on helppo muuttaa.

Dominon voittaa se, jonka kortit loppuvat ensin. Joskus kaikille jää kortteja, jotka eivät sovi. Silloin pelin voittaa se, jolla on vähiten kortteja.

Vaihtoehtoja

Ohjetta voi soveltaa pelaajille sopivaksi. Jos Matkakortit jättää pois, säännöt on helpompi muistaa.

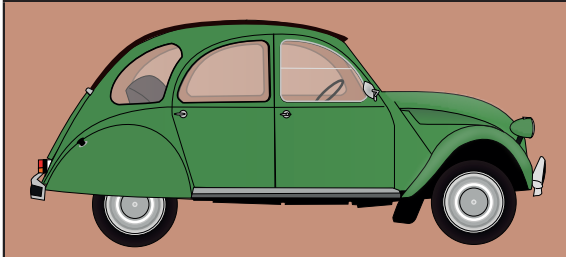

Jos pelaajat näkevät hyvin ja ovat näppäriä, voit valita tiedoston, jossa kortit ovat pienempiä.
